THE ANTICHRIST AND HIS PREDECESSORS

»The hour upon the Judgement of the dead«

JESUS: »This wrath of the nations is the premonitory sign of MY wrath, for so it must happen. A painful hour, poor sons and daughters of mine who undergo it, but it is inevitable that it should exist because everything must be fulfilled, of Good and Evil, on Earth before MY HOUR comes. Then I will say, "Enough" and come as a JUDGE and KING to take up the kingdom of earth as well and judge the sins and merits of man.

When in the book of John you read the Words "the hour for judging the dead," you think it refers to those who have already passed on, perhaps centuries ago, to other spheres of a mystery which will become known only when one is introduced into it. Yes. Death means the transmigration of the Soul to other zones different from the earth. But there is a vaster sense in the words of John: the dead he speaks of may also be alive, according to the flesh, but in reality, in the eyes of whoever sees, be among the Dead.

They are the thoroughly Dead, for there will be no resurrection for them. Dead to God, eternally they will never have the good of possessing Life – that is, God – for God is ETERNAL LIFE.

In the same way, with a meaning vaster than can be conveyed by mere words, the prophets, servants, and saints John speaks about under those three titles include in veiled fashion all the creatures who have succeeded in living in the SPIRIT.

How many humble old women, poor sons and daughters, simple men without learning, and illiterate women unknown to the masses are concealed and comprehended in the words "Prophets, Servants, and Saints." If they were pointed out to the world, it would laugh at them. But in Truth, in Truth I tell you that one of these poor ones, according to the flesh, is more of a Prophet, Servant, and Saint of mine than a proud person of learning, someone who is greatly vain, or a minister of mine himself in whom what makes people Saints in my eyes is lacking: to be able to live according to my Word and do my Will with constant faith, charity, and hope.

MY SMILE for MY Blessed ones in the hour of MY coming as King, Judge and LOVING FATHER will ignite a Sun seven times brighter than the ordinary sun, and MY HEAVENS will shine by it, while the angelic choirs sing the praises of ME and MY servants, whose virtues making them my sons and daughters in that hour will be proclaimed by ME, over against the foolish, blind world.

But for those who are not such, and especially for those who by their action have led the earth and the weak of the earth to perdition, my glance will be a thunderbolt plummeting into the abyss, for it is

inevitable that Evil should exist, but eternally cursed are those who become servants and administrators of Evil.«

»I wait for you so I can say: PEACE«

JESUS: »As the Savior of the peoples, I cannot fail to be the Savior of my people. Mine because of the old law, mine because of the new law.

In human terms, I emerged from that race, and if it has derided, denied, betrayed, and killed ME, if it has done so with its soul weighed down and enveloped by the magma of the sin which MY BLOOD does not wash away, since this race is a branch not wanting to ingraft itself into the stock of the divine vine, it is no less true that I died for it, too, and in regard to it have the rights of a King and the LOVE of a CREATOR.

With harshness and ferocity the fathers of the fathers of those now living rejected the Eternal's gift and asked for MY BLOOD to satisfy their hatred of TRUTH. With PATIENCE, INTELLIGENCE, STRENGTH, and GOODNESS I will attract them to MYSELF.

Man's Good or evil works always serve a supernatural purpose, for human wickedness is gathered in by God and in contact with his hands turns into a tool for Good. God leaves no stone unturned in his far-sighted action to reach the goal, which is to reunite humans in a single core for the last day, as from a single core they spread over the earth, dividing like rivulets overflowing from the cup of a fountain.

The work has already begin, and the persecutors who harm and offend what is human do not know they are creating the Great Day of the FATHER with their iniquities, when I shall gather together my immense flock at the foot of the CROSS like sheep gone astray and shall rebaptize with the name of "lambs" the children of the flock which was mine who have grown wild, expelling those who, under MY SIGN, are the vipers and wolves of human society.

When you are able to recognise Me and weep with a CONTRITE HEART I will turn the ageold condemnation of you, deicides, into Forgiveness and BLESSING, for I cannot forget the Good done by your ancient Patriarchs, who from the Kingdom pray for you in your wandering. Strip yourselves, then – you as well, that were the first to receive the Law as a gift – of what is displeasing to God.

The same commands I give to those born to ME from the mystical labour of the CROSS are also given by ME to you that have made the cross into a sacrilegious scaffold and a source of condemnation for yourselves.

Tell the Truth and serve the Truth. Come to It. Beat your breasts for those who have mocked it and hoped to kill it. They have killed themselves alone, for TRUTH is Immortal in its Divine Nature. Do not wrap yourselves in its colours for a human purpose. But, once you have approached it, Love it as a bride you have now known. It is the one that must beget Eternal Life for you. But there can be no begetting if two are not made a single reality by pursuing not the pleasure of the senses, but holiness in purpose. Be honest and sincere with everyone and especially with God, whose Eye drills into HEARTS and pierces right through them and sees them as – or better than the manner in which – the scientist and the bacteriologist see the diseases consuming you and the germs gnawing at you within your bodies.

Apply LOVE for Truth in relationships with God and man. Do not betray. One of your race betrayed twenty centuries ago, instigated and followed by deceivers and the wicked. Remove that stain, which has been crushing you for centuries, by your just and loyal way of acting.

In order to be Loved, one must make oneself Loved. You have forgotten this many, too many times. LOVE PEACE. It is the sign of ME, whom your fathers killed, drawing down upon you the war which has

no end and with the pauses of a truce explodes and reappears like an incurable disease in the Earth's body and gives you no safety or rest. You must now learn to Love this Peace so as to be able to belong to ME and thus end the eternal exodus of your race.

Every clod of earth trembles under your feet and crushes you. As did your turf of old. But if I, the Lord of the world, extend my Hand and open my Mouth and say, "Enough! They are mine again," the Earth can persecute you no longer. The supernatural curtains of HEAVEN shall be over you for protection.

Remember when I persecuted the powerful for your sake; I opened the sea; I made fountains flow forth in the aridity of the desert and made food rain down from the sky, when I sent MY angels to open the way for you amidst your enemies so as to lead you into the Land I had promised to the first saints on Earth. I am always that powerful and merciful God. I am doubly such, now that I am not only the Creator FATHER, but the SAVIOUR SON, now that the Third Person has generated the miracle of the Incarnation of a God to make Him the expiatory Victim for all mankind.

I await you so as to be able to say "PEACE" to the Earth and say to HEAVEN, "Open yourself to receive the living. The time is fulfilled!" Come. MY HEART is not different, now that I am in HEAVEN, from the HEART I had on Golgotha when I prayed for your fathers and forgave Disma.«
